

August 10, 2011

Dr. Kongkrapan Intarajang
Group CEO
Emery Oleochemicals Group

Dear Dr. Intarajang,

**RE: CONGRATULATIONS – 2011 FROST & SULLIVAN ASIA PACIFIC GREEN
EXCELLENCE AWARD FOR PRODUCT INNOVATION**

On behalf of Frost & Sullivan, we are pleased to announce that **Emery Oleochemicals Group** has been chosen as the **2011 Frost & Sullivan Asia Pacific Green Excellence Award for Product Innovation** in Renewable Chemicals.

Frost & Sullivan's Green Excellence Awards are presented to companies that have excelled in green product & technology innovation, and service achievements that promote sustainability. These awards recognize groundbreaking ideas and innovations that originated from a firm sense of environmental responsibility across a multitude of disciplines. Recipient companies are committed to a continuous focus on reducing their dependency on nonrenewable resources, decreasing their impact on climate change, and diminishing their overall ecological footprint.

The recipient of Green Excellence on Product Innovation Award has excelled based on one or more of the following criteria:

- Product Profile
- Business Commitment
- Environmental Accountability

Wishing you every success. We look forward to working closely with you in the future.

Thank you.

Sincerely,

Cindy Gan
